

DATA PROTECTION DESCRIPTION OF ERKKI PAASIKIVI FOUNDATION

When sending a grant application to Erkki Paasikivi Foundation, the applicant provides Erkki Paasikivi Foundation with certain personal information. The information is saved in the register maintained by the foundation. The register is regulated by the Personal Data Act (523/1999).

The personal information collected in the register is used in the decision making of grants to be awarded. Other information collected by Erkki Paasikivi Foundation is information relating to the payment of the awarded grants and information required for the follow-up process and the final reports.

Erkki Paasikivi Foundation notifies the tax authorities and Farmers' Social Insurance Institution of the grants awarded.

The applicants have the right to audit their personal data information registered by the foundation. If there is an error on the information, the applicant has the right to demand that the information is corrected. The audit of the information is free of charge, provided that it is not requested more than once a year. The request to audit the data shall be presented in writing to the secretary of Erkki Paasikivi Foundation. She may be reached by sending an e-mail to anniina.myllyperkio@orasinvest.fi.
